

Community Meals Leeds

Community Meals Leeds is the council's service providing good nutrition to older people in the community. Our service provides a hot meal and drink at lunchtime, with an option of a cold snack for tea furthermore whilst we are delivering our meals we carry out a safe and well-being check to ensure the customer is well. We are here for both long and short term (holiday/respite) solutions.

To find out more visit www.leeds.gov.uk/communitymealsleeds or call 0113 247 8577 for more information and how to access the service.
